

## Objective

---

University student interested in part-time employment for the upcoming 2020-2021 academic year. I have a strong interest in programming and video editing and would love a remote job to supplement my remote classes. I believe I have a solid understanding of the principles that go into both well made and engaging long- and short-form video content.

## Education

---

Sep. 2018 – Present

### Trent University

Biomedical Sciences, *Medical Professional Stream*, 2nd Year  
*Dean's Honour Roll, Biology Conservation Prize*  
NSERC Undergraduate Research Award (Summer 2020)

2014 – 2018

### Elliot Lake Secondary School

Ontario Scholar; Recipient of the *Math and Science Department Awards*,  
and the *Governor General's Academic Medal*

## Digital Experience / Online Presence

---

Mar. 2020 - Present

### TikTok (@kieranfreitag)

- Edited most videos using Premiere / AE
- Currently over 170,000 followers as of Aug. 2020

### Adobe Suite Proficiency

- Able to use Photoshop, Premiere, After Effects, and Audition.

### Programming Ability

- Solid foundation in best practices and concepts regarding programming across multiple languages.
- Prior experience in front-end languages (HTML, CSS, JS), Node.js backend, Swift iOS development, and python scripting.

## Work Experience

---

May 2020 – Present

### St. Joseph's General Hospital - Pandemic Dietary Aide

- Assisted with meal set-up and eating for the third floor patients in an effort to reduce the workload for nursing staff in an anticipated increased pandemic workload.
- Frequently visited patients outside of mealtime to combat social isolation and loneliness due to restricted family visitation.

May 2019 – Aug. 2019

### Stone Ridge Golf Course Grounds Crew

- Performed a variety of tasks around the golf course including: course setup, hole-setting, greens rolling, sand-trap raking, and more.
- Fast-paced mornings, cooperative and independent tasks

July 2017 – June 2018

### Foodland Deli

- Customer relations, developed team-building skills with deli coworkers (helping others, creating a positive work environment)

## Volunteer Experience

---

June 2019 – Aug. 2019

### **Club 90 Volunteer**

- Worked with junior and senior mental health workers to provide support for adult individuals with varying degrees of mental health issues.
- Volunteered twice a week during the summer
- Helped out during the annual drag race and the Camp Thompson trip

June 2019 – Aug. 2019

### **Diversity Canada Foundation – Senior's Memories Project**

- Interviewed senior citizens in Elliot Lake once a week on all aspects in their lives in an effort to preserve these memories for future generations

Nov. 2018 – Present

### **CNIB Vision Mate**

- Work one-on-one with an individual who is partially sighted
- Specifically, I read to and visit an older woman who has mild glaucoma and aphasia once a week for approximately 2 hours.
